

Diplomat

Built-in keystone eliminator.

The Diplomat combines simplicity of design, rugged components and careful workmanship. Easy setup and one-hand case adjustment make the Diplomat a pleasure to use. Suspension slat saddle in all sizes maintains a flat viewing surface. Exclusive Bell Leg Lock protects the Diplomat's sturdy gabled aluminum legs during storage and transportation (see detail photo).

Your choice of viewing surfaces: fiberglass matt white or glass beaded.

System Options

- **Case Color**—Steel case and endcaps finished in black (standard), dove grey or white.
- **Black Masking Borders**—Optional for AV format screens, standard for all other formats.
- **Keystone Eliminator**—The Diplomat's built-in keystone eliminator extends 18". Invisible when not in use.
- **Patented Bell Leg Lock**—Exclusive Bell Leg Lock clamps legs securely to center tube for storage and transportation. Eliminates all risk of bent or broken legs. Releases easily for setup.
- **Carrying Case**—Black leatherette zippered carrying case available for storage and transportation.

Keystone Eliminator

Bell Leg Lock

U.S. Patent No. 4,097,013

Diplomat/R

Case finishes for AV rental usage.

All the best features of the Diplomat made more durable to withstand the wear and tear of the rental market.

The standard case for a Diplomat/R is scratch resistant baked-on black plastisol on steel. Or choose a rugged carpet covered case (pictured at right). Black carpet is standard; grey and beige are also available. In same standard sizes as the Diplomat.

Consul

Quality and Economy.

Lightweight yet durably constructed, the Consul is designed specifically for audiovisual use. Specified for schools worldwide. The Consul's legs are of sturdy gabled steel. 60" and 70" sizes feature suspension slat saddle, keeping viewing surface flat. Case adjusts easily to any level on tripod upright.

Choice of viewing surfaces: fiberglass matt white or glass beaded.

System Options

- **Case Color**—Steel case and endcaps finished in black (standard), dove grey or white.
- **Black Masking Borders**—1½" borders are optional.
- **Carrying Case**—Black leatherette zippered carrying case.
- **Keystone Eliminator**—To extend top of viewing surface up to 9".
